“ We were so sorry to hear about Ed's passing. (Thanks to our sweet sister-in-law Eleanor Savage in Panama City.) We have many wonderful memories of Ed in 1963-64. Ed was one of the gang that hung around the "Hang-out" with Freddie Decker, Bobby Taylor, Eddie and Floyd Savage in Panama City. He used to love to do the P.C. (a Bop very similar or perhaps just like the "Shag" of Myrtle Beach). We have thought about him and talked him many times through the years and will continue to keep him alive in our memory. May God's peace be with you all during this very hard time. Just remember, that you wil see him again. He is at peace and suffers no more.

“ I was shocked to hear of Ed's passing. I have great memories of him and the rest of the B&R Painting softball team back in the early 80's. Ed ran the show and I could think of no one better to do that. I will miss him as I know many others will.

“ Eddie, Sorry I cannot visit you during your period of grief but other obligations prevent me from contacting you but I do want you and your family to know you are in my thoughts. Your father was one of my favorite people because he demonstrated every time I saw him what his priorities in life were. He knew who his Maker was, he loved his family and was always ethical in his business dealings. That is a great model to leave for those he loved and from what I have seen you learned well. Please express my sympathy to your mother and brother.
