“ Neil was a very dear man that I was fortunate enough to grow up across the street from he and his family. My Dad considered Neil as a brother. Our thoughts and prayers are with the entire family. Take Care!

“ My goodness, another loss from our Arizona Avenue family. Chris, it's been way too long and my heart and prayers are with you now for the loss of your Dad. Our families grew up together and every loss is like the loss of a family member. I can still hear our Dad's debating the advantage of Ford vs Chevy and their epic trips to Darlington for the Labor Day race. Fond memories that I cherish and hope they will comfort you.

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.
