“ Echoing what Brian writes below, Rev Ed (as we knew him) was the youth minister, so those of us in high school during the early '70s at Trinity in Evansville had him as mentor and friend. He was a good and decent man, and the lives of Brian and I and many, many others were enriched by knowing him. My sincere condolences to you, Allison.

“ Ed Curtice served as an associate pastor for Trinity United Methodist Church in Evansville, IN. He was a tremendous inspiration for the youth of the church and everyone loved him. Allison, if your travels ever bring you through Evansville, please try to stop by Trinity. Those of us "from the era with your father", would love to tell you how much he meant to us. He was a marvelous person and you have our sincerest sympathy.
