“ Dear Sharon and family, I remember meeting Uncle Eddie a few years ago at the Conway Recreation Park and he told me how he would walk 5 miles a day. Uncle Eddie stopped walking in Conway to start walking with his heavenly father. Prayers for you and your family. Mama T

“ I've been knowing Mr. Davis a little over a year now from working in the walmart pharmacy where he would always come pick up him and Ms.Susie medicine and to find out today that he passed just broke my heart. Working in my field you meet and get close to many people and their families so this is also a loss for me as well he was such a nice man and I will really miss him. I would attend the services tomorrow but I don't want to intrude so I will just send my condolences to his family. Rest in Peace Mr. Davis

“ *He was a very special Uncle, I remember when he built a wooden camper on the back of a old truck, he went Massachusetts to NJ moved to IN the truck was so loaded down it barley moved, That was a memory from my childhood. I loved him very much, our family now lives in different states, so we don't get together often and my Mom his sister Peggy has said she would love to have her kids together at one time, I hope that wish comes true to make her happy and a dream come true, Gerald Wiedemann*
