“ *Suzie, so terribly sorry for your losses, and so close together, didn't have time to grieve for your mother before you lost your husband, and now to grieve for the two of them at once, has sure got to be hard, but like you say, staying busy will help, I've got you in my prayers, as I know that words, don't ease the pain, just know that I am thinking of you, and your lost ones. Take care of yourself and just give it time, the pain will surely ease up, as time goes by. God be with you, write me if you just need to talk, Earlene* **##imported-begin##Earlene Croom##imported-end##**

“ Kelly, I'm sorry I didn't get to know your Dad. I know he will be missed by your family. Ed fulfilled God's plan for his life here on earth. Now Ed has to be with God to fulfill the rest of His plan. One part of that is to welcome your family home when you all get to Heaven.
