“ Dear Pam, I just saw that Eddy passed away and wanted to send my heartfelt condolences to you. Even though its been over 30 years since seeing you two, you have been fondly in our thoughts through the years. We were blessed to be friends way back in the days of The Marketplace mall - restaurant and gallery - what fun we had! Eddy was the best and most popular bartender in town, that's for sure! The obituary written here is lovely, albeit very sad, and our hearts go out to all of your family. Fondly, Gail and Dave Heveron, 6-12-2022
