“ Lynn and family. So sorry to see Ed's obit in the Springfield newspaper. I offer my deepest condolences. I will remember Ed as a good friend, teammate, and co-worker in banking. He was a man of power on the softball field or golf course and a devoted family man. A serious competitor in work and play, but I often remember that deep-voiced chuckle on his lighter side. Always called me Coach even after our memorable times on the softball diamond. Ed served his country, friends and family with the utmost of dedication. Thanks Ed for the memories. May you enjoy your restful place. Rod Pillard

“ Lynn, my heart is breaking. You know how much Ed meant to me. First, through the hospital with Ed as security and myself as the operator. Then second as he was fighting his courageous battle at the Infusion Center. He was so special to all of his friends through both facilities. Please accept my deepest condolences, thoughts and prayers to all of you, his precious family. RIP Ed. I love you my friend!

Lynn, my fondest memory of Ed is how much he loves you. He was a Bowling partner and he really didnt like it at first so I said to him "you must really love your wife to bowl". He responded with "I love her very much" .We will all miss him greatly as he became a very good bowler. He also have great hugs. Here is a hug for you Ed. Fond thoughts for you and your beautiful family. I will miss him very much. See you soon.
