“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##

“ Justine - Here's my fondest memories of Ed..I still remember how we hired Ed and Mike Hughes the same day. Ed was the rookie and Mike was the 'experienced' guy. It did not take long for Ed to show that HE was the better choice and it showed on his great work on SPIRIT..He was also a great bowler as he was the guy to beat when we went on our noon bowling trips to Shrewsbury..Remember how he and Paul Barney Springer always had their hot tips? It was a memorable time for all of us. We had a lot fun at DG and we'll all remember how much Ed played a part in them. I'm glad to have spoken with Ed just before he became ill. He went out way too early. Regards, Ken##imported-begin##Ken Swidrak##imported-end##

“ Dear Justine, Gina and I were deeply saddened to hear the news about the sudden death of Ed. Our thoughts and prayers are with you and your family during this difficult time. I will remember fondly all the great memories that we shared during our DG days and I appreciated Ed mentoring me during my early days as a developer. One of my memories of Ed was his passion for following sports, especially college basketball during March Madness ? This was Ed? s month. I know you will miss Ed greatly and during this difficult time as you draw upon your own strength and the strength of friends & loved ones, remember that they care deeply for you and that they hold you in their thoughts and prayers.
