“ Edwin was more like an uncle to me than a cousin. He was there for me during a tough time in my life, and I will always think of him as my No. 5 Dad, Mom, Cassie, Mima and Edwin. He taught me to hold my head up, stand strong and stand firm in what I believe in. Just as importantly, he taught me to laugh again. In life he was one of my Guardian Angels, and I will always, always be grateful to him. His passion for those he loved is another that I learned from him. Thank you, Edwin! You are loved! Heaven has a new Angel - one of a kind!!!imported-begin###K. Shay Mercer###imported-end##

“ We would like to send our condolences to the Jones' family and everyone close to him. Most of my memories of "Big Ed" are from my childhood. He always kept us laughing or embarrassing my sister and I in front of boyfriends. He was such a character and will be greatly missed. Love to all, Caroline###imported-begin###Robert & Caroline Brunson Carson & Cade###imported-end##
