“ Hi Susan, I have so many fond memories of your family and especially your father. He was one of those people who walk through your life as "bright sunshine." Your mother made the best spaghetti I have ever eaten! The many wonderful hours I spent at your lake house have a special place in my memory of good times. I loved your Dad and and am so sorry I missed the Beach years. You have my deepest sympathy, but always remember "Hurrah for the Fourth of July" Love, Teze'##imported-begin##Tez' Rion English##imported-end##
