“ Mrs. Herd and Family, Sue & Ken,

Very saddened to hear of Ed's passing. I met Ed and attended high school with him while living in Pitman, N.J. He always impressed me as being an upbeat, intelligent and giving individual. We became friends and on one occasion during the summer we decided to walk to Zee's Peach Farm to seek employment. (about 3+ miles). On the return home Ed suggested that we sing a song to break the monotony. Like Ed, it was an upbeat song entitled "What is Love". We sang that song all the way back to Pitman. We were about 17 years old. That was 50 years ago and I never forgot that experience. I'm sure that Ed taught those that he touched during his life "what love is". He was just good people. My deepest sympathy to all. Paul T. DePietro Jr.

Dear Mrs Herd:

I was saddened to hear about the loss of your husband. I remembered him as a loving and devoted husband and father. Though it has been several years since you left Lucien Drive in Hamden, CT I will always remember both you and Ed being great neighbors in addition to watching your daughters growing up. My late Mother also had many wonderful memories of your family as well. Please extend my condolences to your daughters and the rest of your family. May Ed rest in peace. God bless you all.
