“ Dear JoAnn,
As you well know Ed was among us Hudson Valley Ski Clubbers for many years. Always friendly and very energetic. We were certainly very sad to see him come down with Alzheimer's and lose contact with his old self. I wish you the best at making the sad change in your life. He will certainly be missed by us and even more by you and your family. Regard, Morty and Jen

“ Dear Joann,
Cheryl and I wish to extend our condolences to you about one of the most unique and nicest guys we ever met. He is and will be a legend in the Hudson Valley Ski Club. All the sports he participated in and social events you and he attended are great memories. He has been missed as of recent years, but he will be remembered for many. Kinda ironic that you and he several times parked your RV less than a mile from where we now live in Sarasota, FL.. 1250 miles from Poughkeepsie!
Warmest regards,
Dave & Cheryl Watts

“ Dear JoAnn, I am so sorry. One of my first memories of the Ski Club over forty years ago is going on a day trip in a Van with Ed and Al. So many good times shared. The last time I spoke to you was at my bike party when you were planning to go to Myrtle Beach. I hope that was a good move for you, and you have made new friends who will be there for you now. 57 years! I wish all the best for you, love,
Claudette

“ Jo-Ann, So sorry to hear about Ed. We had some great times in the ski club. He and I were about the same age so it's especially hard. I hope you are doing well. I, personally, am currently in the Thompson House recovering from some kind of brain attack, hopefully nothing permanent. Expect to go home in a week or two. Being almost the same age as Ed I'm grateful to be planning on going home. My best to you, I remember him fondly!
