“ *Edy will always be remembered by my son and I. Edy always made time to listen and offer words of comfort to his friends and patrons of his and his family's lovely market. He touched the lives and hearts of so many people in this community.*

We extend our deepest sympathy to his wife, his children and his family. We are praying for this family to find peace and comfort in knowing how many lives Edy touched in a positive and caring way.

Edy we know you are in the arms of Jesus and in the presence of God Our Father! May you peacefully rest there until we meet again. Forever you will be missed here on earth.

“ *I became acquainted with Edy in 2012 at Loris City Hall. He introduced himself as a new business owner. He was a very pleasant man and always my pleasure to be around him. I occasionally visited the store and he was always willing to help find whatever anyone needed or find a way to get it if he did not have it in the store. Edy will be missed by all who knew him. He has touched many lives with his sweet spirit and his kind words. It is my prayer that God will continue to bless this family in the days to come.*

“ *Mr. Edy was an amazing man with a big heart. My whole family visited his store every day. He was always such a great man who would do anything for his community or customers. One day he heard my daughter ask me for a new Bible, and he surprised her a few days later with a new big Bible just like she wanted. We will be praying for his family and everyone else hurting as much as we are.*

“ My husband and I moved to Loris 2 years ago, from VA/TN area. Edy was the first person I got to know. I knew instantly he would become one of our best friends in Loris-which of course came true. Edy's and my personal 'joke' was- He would say "Good Afternoon". My husband and I are both retired, so I went to his store usually in the afternoon or evening. I would respond by saying 'Good morning Edy". ALWAYS, after he realized we weren't 'morning' people now, -regardless of the time of day I would go to his store- Edy always greeted me with "Good Morning". It could be 2p.m. or 7p.m.-- but he always greeted me with a "Good Morning".- with that wonderful bright smile. We live only about a mile from his store, so I was there almost daily to get gas, bread, etc. Edy became like a Brother to myself and my husband. Edy ALWAYS went out of his way to get a product in stock if there was a specific item we wanted.

I have really no words to express adequate enough to say about Edy. He and I would talk for 20-30 minutes each time I went there. (unless he was busy taking CARE of other customers). I enjoyed and now cherish this WONDERFUL, CHRISTIAN AND LOVING man.

I pray to GOD THE ALMIGHTY to hold his family in HIS arms to help them through this tragic time of their lives and for their loss. Edy is with GOD and is a beautiful ANGEL of GOD's.

Edy, we miss you and will always remember you. Again, GOD. please hold ,comfort and ease his family's pain during this time of their Husband, father of 6 beautiful children and many relatives.
AMEN

“*I remember the first day that Edy came by my office at Santee Cooper when he bought the store and what was to be their living quarters, he and I developed a friendship that was beyond the business. I enjoyed him coming by my drive through window and just talking about his family and the fact that they were expecting their 6th child. He always had a smile on his face and just so very pleasant. After I retired I went by the store a few times to connect with him again...my heart is broken for the family and the loss of a good man so tragically. It was a pleasure to know him and he will be missed in this little town of Loris. God have mercy on this family and comfort them as only You can. My thoughts and prayers are with you*”
