“ May Effie Young RIP, she defied the odds and challenged scripture in years "...like the days of a tree will the days of my people be.." Isaiah 65:22. The Grand Sovereign of the Universe yearns to make right all the wrongs of death with prayers and many Psalms in mourning let his will be done in Heaven and on Earth. “ I am so sorry for your loss. May the outpouring of sympathy, the kind acts of friends and strangers, as well as your memories give you comfort to help you endure the days ahead. The Bible also offers comfort. “For God is near to those broken at heart. “ Ps 34:17,18. Our Creator promises that there will soon be a time when “death will be no more.” Revelation 21:4

Dear Tootsie,

You will always be so special to me in so many ways. Your beautiful spirit was felt by so many people. I truly believe that we had a connection on this earth, one that will take us through eternity. I believed, selfishly, that you would never leave us. My heart hurts so badly as it is broken. I only wish I could have spent more time with you. You were a beautiful person, an angelic soul, a soul that will live forever in our hearts. I feel joy because I know you are in the arms of Jesus-Jesus, whom you loved with your whole being every day you walked on this earth.

You inspired me and the family to live life with love and grace.

Thank you for being such a loving great-grandmother to Isabella. I will always love you forever.

My loving prayers go Elaine, Dale, David and Joanne Young, grandchildren and great-grandchildren.

“ To all the members of Miss Tootsies family, It is with the deepest regret I find myself typing condolences to you all. Miss Tootsie was the truest example of a gracious southern belle. She had a presence about her that brought out the best in you, her manners, her actions, her giving disposition are all qualities that we wish were still the standard for today. Spending just a few minutes with her would stay in your mind for a very long time. She was unforgettable. We are so very sorry for your loss, but need to note her passing is a loss for many. Her style and manners were outstanding gifts she passed just being herself. She made you want to be a better person just being near her. Larry and I are extending our sympathy to the family members and to those of you who were close to her. We realize the loss will be great and healing will take time. I know your faith is strong and trust your close friends to aid you in this transition of life without her. May God help you all in this time of grief. Larry and Lynette Carothers

In this difficult time in your life, may you find comfort in God's Word, the Bible. James 4:8 encourages; "Draw close to God, and He will draw close to you."
