“ I will miss this beautiful, stylish Irish Lady. Eileen was generous and caring. No matter how busy she was, Eileen always took the time to purchase a gift for my children. I still have a really fancy red vest that she gave me years ago. When I saw her, I would always comment about how pretty she kept her hair - so wavy and styled well! I can hear that thick Irish accent right now! May God bless this family as they remember this special Lady.
