

Eileen Kelly

December 18, 1953 - May 16, 2024

Eileen Kelly, 70, of Myrtle Beach, SC passed away peacefully on Thursday, May 16th, 2024, with her sons by her side after a hard-fought battle with cancer.

Eileen was born on Staten Island, New York. She attended Saint Joseph by the Sea High School and later went to Saint Vincent's Medical Center of Richmond School of Nursing where she studied nursing. Later she attended Chamberlain College of Nursing where she earned a Bachelor of Science in Nursing. Throughout her nursing career she held many different roles from working in a hospital, school nurse, and finally working as an oncology nurse.

Eileen is predeceased by her parents Arthur and Eileen (Barry) Schulhoff. Eileen was a loving, and proud mother to Timothy A. Kelly (Denise), Brian W. Kelly (Larissa), and Thomas P. Kelly and an adoring Nana to Liam, Tobias, and Benjamin. She is also survived by her siblings Paul, Nancy (Peter), and Clare (John). Eileen will be missed by her many nieces, nephews, and friends.

Eileen was a devoted mother and took great pride in her boys. Eileen also loved to spend time with her grandsons and took great interest in their adventures. Eileen was an avid gardener and could often be found tending to her flower beds and vegetable gardens. Her passion for quilting transformed colorful fabrics into cherished heirlooms for loved ones.

A celebration of Eileen's life will be held in New Jersey at a later time. We will update this document when a time and location have been chosen.

Being kind to others was a major tenet in Eileen's life. To celebrate her, please pay it forward and be kind to someone.

Tribute Wall

PD

“ Nurse Eileen Kelly we honor you this day for your legacy of caring and service. Thank you for your years of service and we know that those years are measured not only in years but by the care and kindness you gave to others.

We send our sincere sympathy to your family and friends.
