“ Words of sympathy seem so inadequate for a loss so great. Aunt Elaine was an amazing Lady and she led a remarkable life. Our thoughts and prayers go out to the families in this time of sadness and sorrow. God bless you all.

“ It was always a joy to see Elaine and most of the time, you would also see her dear family with her. She had an infectious smile and extended friendship and love graciously to all, a gift given by God. I know the family will miss her and have a void in their heart but will also have the assurance that she is praising God in the heavenly choir, and I feel would extend an invitation for all to join her! May God richly bless each of you during this time. Betty Moore

“ Dear Shelley and Roberts families, you all were so blessed to have Elaine in your families. Of course, the Roberts family is so precious to us as we have worshipped with Doug, Windell, and Judi for many years at Jamestown. Marionelle seemed like one of ours as we enjoyed many trips together...not to mention the Redeemed singers. They were so thrilled when Elaine moved back to Florida! Elaine had a smile everywhere she went and a kind word. She was always busy so I know she would not have wanted to be confined by any disability so God spared her that! Our thoughts and prayers are with you all.
