“ Dear Family, Our prayers and sympathies are with your family. They broke the mold when Dutch was created, he truly was one of the kindest, caring and giving men I know. He did not know the word selfish. As I write this note I am sitting on a computer chair he got us, I remaked how comfortable yours was then guess what? One appeared! We have lots of fond memories, love to you all. Art and Peggy Romweber##imported-begin##Romweber Family##imported-end##

“ Dear Kathi, Justin and Carlye, My thoughts and prayers are with all of you. I can't begin to imagine what you all are going through, but I know you will all make it through this with the support of family, friends and especially one another. I only knew Dutch for such a short time, but his memory will live on in me forever. He continues to bring a smile to my face whether it be thoughts of snow mobiling, his grin, his never ending Clemson attire, him mistaking Scott for Matt, never being able to say no to Carlye no matter how big the "favor" was, his love for life but most of all the way he could make a room full of strangers feel like family. I can never thank you all for sharing him with me and allowing me to be a part of your lives. I miss you all and am sorry I couldn't be there today. You are definately in my daily thoughts, especially today. Love always, Amy Roth###imported-begin###Amy N. Roth###imported-end##

No more pain and no more sorrow. Sweet rest. Life forever. You are in our thoughts, in our conversation, and in our prayers. We are so very sorry. “ To Kathryn and Family it certainly was with deepest regret that we respond to Tom's untimely passing. Tom was that angel that kept us laughing and smiling in the Willow Grove Feeder Department. He was more a friend to me and the other members of our team he was in fact a good shepard and his hook was to get us all to enjoy life and family. There is no doubt in my mind that there was someone in need of his energy and appreciation of life and that is why the Good Lord came down and took him away from all of us. I say all of us because once you met Tom Hill you never forgot him because he left you the same way he greeted you and that is with a smile. It is said that what the Good Lord ends with a period we should not try and place question mark and my faith tells me that this is true. I do know that in my Father's House there are many rooms and I do know that Tom Hill is in there making someone feel good about life... Regretfully Bruce C.
