“ *Eleanor was my big sister. We shared the same goofy sense of humour, the love of the Redskins, and the love of family. We fought like all sisters do, but we always loved each other. I don't know what I'm going to do without her.* ”

“ *We will all miss Eleanor's fun way of looking at life. She was a friend to so many, a strong partner for my dad. She was responsible and strong, able to laugh and enjoy it all. Her smile will never be forgotten. Love and hugs to everyone who is sad today. Nana would have wanted us to remember the fun times.*
