“ I've known Nick for five years, he was just the kind of guy who let you know if he was your friend. Ever since I found out I just can't get the flashbacks out of my head. He was in my 3rd and 4th block. He sat right behind me. We talked all class, the teacher would yell at us atleast 6 or 7 times a day. Today I'd look back and he just wasn't there, I came to tears in the middle of class just thinking about how quiet it was without him to talk to. I miss him so much already, and if I feel this bad I can't even begin to imagine what it's like for all of his family. I just can't beleive he's gone. He's the first person in my life I've ever lost. I miss you Nick, lots of love to family and friends.##imported-begin##Carl Jackson##imported-end##
