TG

“ *I hold your hand and watch as the sun slowly fades
Far in the distance the Father is calling your name
And it's time for you to go home
And everything in me wants to hold on
But I'm letting you go with this goodbye kiss and this promise*

*I'll see you in a little while
I'll see you in a little while
It won't be too long now
We'll see it on the other side
The wait was only the blink of an eye
So I'm not gonna say goodbye
'Cause I'll see you in a little while*

*And just one more thing before I let you go
Please tell my little girl I love her
Though I'm sure she already knows
And ask the Father to please tell the Son
That we're ready and waiting for Him to come*

*I'll see you in a little while
I'll see you in a little while
It won't be too long now
We'll see it on the other side
The wait was only the blink of an eye
So I'm not gonna say goodbye
'Cause I'll see you in a little while*

*Maybe you'll teach me all the songs they sing in heaven
Maybe you'll show me how you can fly
And I'll hear you laugh again
And we won't remember when
We were not together and this time it's forever*

*I'll see you in a little while
I'll see you in a little while*

*It won't be too long now
We'll see it on the other side
The wait was only the blink of an eye
So I'm not gonna say goodbye
'Cause I'll see you in a little while
I'm gonna see you in a little while
-song by Steven Curtis Chapman*

“ I love my son so much, i will always love and miss him. I will do what i would have done as if my beautiful baby boy was here. I remember when he would be up all night with me and mommy, and he was always be crying and soon as me or mommy held him, he would stop crying. He had such a beautiful cry, it was perfect..... I love you son....
