“ Grandma, I don't even know where to begin. I am so fortunate and blessed to have had you as a grandmother. I am so proud to call you my grandmother. Life is so fun, and you made it that way each and every time that I got to spend with you. I will miss eating cheeze doodles, sweet potatoes, you blazing the den up with the gas logs almost during the summer. There are so many things I will miss Grandma, but most of all I will miss you, I love you so much, and I know you are with everyone up there. Tell Pappy I said Hey and slap his hand for me.###imported-begin##Keith Cannon###imported-end##

“ Grandma, You were a special lady. Your family is a testament to that. You and pappy were such great examples for your kids, grandkids, and now greatgrands. The lives you exemplified have helped make us into the people we all are today. We are selfish in giving you up, but we all know where you are. Tell Pappy hello for us. We love you, Jeff, Ginger and Wyatt###imported-begin##Jeff Cannon###imported-end##
