“ I'll always have the memories of trips to the arcade, Scrabble matches, card games, and crazy Christmas pranks. You beat the unbeatable, Grandma. I hope to have half of the strength and determination you had. Take care of Grandpa. I love you and miss you both so much. Love Always, Brynnie###imported-begin###Brynn Forbrich###imported-end##

“ I would like to thank all for the words of sympathy on the passing of my beloved sister Betty Ann. She was a beautiful, caring, thoughtful, loving person and her spirit will carry on in all that had the opportunity to know her. My sister was very special to me as a child and help guide me into manhood. I must say that she was instrumental in making me the man that I am today. Although we lived hours apart we always took time to call one another and visit each as often as possible. We may not have always agreed and at times greatly disagreed with each other but we had a deep affection that could never and will never be broken nor forgotten. My family and I will miss my sister more than words can say...but I know she will always be there for me in spirit just as she was on earth. Be Peaceful My Darling Sister.##imported-begin##Richard ,Linda and Leanne Schutte##imported-end##

“ Dear Seeley family, "Bet"as she was lovingly known, was my dear friend. She was a beautiful lady in every sense of the word. She was kind, caring, loving, thoughtful and had a wonderful sense of humor. To be in her company was always a joy. She was one of my Red Hat sisters. When Bet was battling cancer we were her Angels watching over her and praying for her recovery. Now she is watching over all of us from above. It saddens me that me dear friend Bet is gone. I will miss her but my memories and my love for her, will live with me forever. Rest in Peace Bet. God Bless Love, Dee Sharp##imported-begin##Dee Sharp##imported-end##
