“ Dear Dona: Perhaps you don't remember me but I and my wife reside in the same colony during the winter. Your Mother was one special person and as the obit stated, a good word for everyone. We had many conversations and I shall sorely miss that and her great southern accent. Best wishes, Guy.##imported-begin##Guy Parry##imported-end##

“ *She was truly a very special person and it was an honor to provide caregivers. When we look to the heavens and see that pretty cloud passing by, if we look close enough we might just see her looking down at us.*###imported-begin###Janet & David Teeple###imported-end##
