“ Dear Bill, I didn't know what to think when I saw the photos you sent and then your note. I'm so sorry for your loss. You and Liz loved each other very much. I could tell how happy she was. What a terrible shock it had to be and no words can ease your grief. I've been away or I would have contacted you sooner. I'm glad for the time you had. You have my heartfelt sympathy and please share that with Liz's children. Thank you so much for letting me know. Joyce###imported-begin###Joyce Triola###imported-end##

“ Bill and family I am so sorry to hear about Betty. I am her cousin on Aunt Yvonne's side. My mother and Yvonne were sisters. When i was little, Betty stayed almost next door to us when she was interning, I think as a teacher, in Rochester, NH. My sympathies to all of you. “ Bill: I was so sorry to learn of Betty's passing. I was her 2nd cousin; my mother Norma Roberts was her first cousin and we have so little family left from the Torrey side that it certainly saddens me. My mother passed away in Aug. 2005, my mother's brother Ken Paige, passed away in July 2006 I had e-mailed Betty about his passing. I know that you and Betty had a number of happy years and that is something to focus on - the good times and wonderful memories - something to be most thankful for. Brenda R. “ So hard to find the right words to offer any kind of condolences when life sneaks such unexpected events in our lives. I do believe there is an existence beyond this world we hang on to so much and I believe this next phase into eternity is filled with peace like the best campground with lots of time for reading and no worries about where to go to next I also know that life as we experience it here is filled with ups and downs, sorrows and joys and too much anticipation of what's next. This much I know about Liz's journey ... it was made happy and whole by my brother for whom my heart is aching. God bless you Liz. All our love ...
