“ *The love of my life. Your passing took my breath away. 48 wonderful years married. I couldn't dream of a better partner in life. Laughing and loving mother and grandmother. The words don't come easy yet. Save me a good place, until then, all my love, Mike*

“ *My life change in 1997, not only did I married the love of my life but also became part of a great family. Oh mom you were so great to me you knew how much I missed my family and you gave me love and support! I'm driving because of you ! Your patience and your love had no limits! I'm so lucky to had been part of your life for more than 20 years. My Pj and Bella were so spoiled by you . Anytime we called you run to check on them even in the snow at 6am. You never said No you always said oh 'I don't know ' . Other quotes were : 'oh boy oh boy ' , ' I owe I owe off to work I go' and many more that I will make sure to tell the kids all the time. You were always smiling to you the kids never did anything wrong :) We love you so much and will miss you forever. RIP mom cheers with a glass of red wine with 2 ice cubes .*

“ Liz was a lifelong friend. My wife Betty and I traveled, skied, hiked, boated and vacationed with Liz and Mike over the last five decades. Liz was a warm and caring nurse, a great friend to us both and a lot of fun. Our trip to Ireland was a priceless experience filled with touring, pubs, restaurants and even a jaunt into Northern Ireland. Liz's sense of humor filled the car with laughter, as we moved about. We will miss her dearly but take solace in the knowledge that she now rests peacefully in the arms of God. We ask that the Donelon family accept our condolences upon Liz's passing. It has been a privilege to know her and love her.
