Tribute Wall

“ Jody and Joyce, I saw your mom's death in the Weirton paper. I loved to visit with your mom and we were kind of younger and older friends. She used to tell me all about her college days and her honors. I was your babysitter and lived up the street. My dad was a good, good friend of your grandfather Nate. I have thought about you all over the years. We send our thoughts and prayers. I was saddened to see Gary is deceased. We live in North Carolina An old friend.
