Tribute Wall

“ Dear Kiefer Family, I am sorry to hear of the loss of your Mom. There are so many wonderful memories that I have of her and her "household" in West Hartford, not to forget all the trips to Ocean City and the times we had there. I was always treated as if I were a member of the family. I'm certain she will be missed by all, but left behind many fond memories. Thinking of all of you at this time of your loss. Warmest Regards, Amy##imported-begin##Amy Richards O'Keefe##imported-end##

“ Betty, you will be missed by your family and friends. You always tried to be cheerful. I remember a story where you and Raymond were on a trip and he left you sleeping and went to the bath room. You woke up and decided to go also. He came out and left not knowing that you weren't there for miles. It was a story to be repeated. Love, Cousin Lee and Florence##imported-begin##Lee Michaelis##imported-end##
