“ Betty was a wonderful lady and neighbor. I remember how she cooked and helped John Milus after his wife died. She loved cats and fed a number of them. She will be missed in our neighborhood. We were sorry we couldn't attend the funeral but Dave has been very ill. It was wonderful to see how caring Peter was to her after the death of his Father. May God give the family comfort knowing they gave her great support and love in her late years and she has now joined many of her friends who have gone on to be with their Lord.

“ Betty was one of the strongest people that I have ever meant. She was a wonderful person, and lived a very full life. I feel privileged to have known her. Betty was a wonderful cook and made the best stuffed mushrooms on this planet. She was a dear, sweet friend. I will miss her.

Warmest Regards to Peter & the family,

“ To Betty's family,
I was saddened to learn of Betty's death today. She was a good lady. She was my volunteer at cardiac rehab for many years. Also, Peter, I was very impressed with your care for her, especially after your dad's death. You were always there for her and I know Betty appreciated it very much. I am wondering what happened to her cats. They were an important part of her life.

My condolences to you all.

*Sincerely,
Dorothy Allen*

We sent a Christmas card to Betty and it was returned to us to with no forwarding address. I checked and found out the sad news of her passing. We both feel so bad about it. Betty was my volunteer at the Wellness Center for many years, until my husband and I moved back to NJ. We would also go to dinner after church with Felix and Betty. Al was an usher with Felix at St. James Church and we always enjoyed being with them both. We are very sorry for your loss. We know she will be missed by many. She was a sweet, kind, loving lady. With all our deepest sympathy to all of you.
