I had the distinct pleasure of working with Dianne at Hardee Manufacturing for years. She and my Aunt Doris hung out a lot together and when you had both of them together, well let me just say it was hilarious. Great and fun times. I don't know that she ever met a stranger. She was the same today that she was yesterday and I promise you she would be the same tomorrow that she was today. She was truly a great friend and most of all a true Christian. She loved her Lord and she was always an encouraging, loving and supporting being. To Danny and family, just know that our loss is truly heavens gain. May God Bless you during these coming days and also know that we will meet again. Our thoughts and prayers are with you all.
