“ Jack, I was a bridesmaid in your wedding many years ago. While I don't remember the exact date; I do know it was quite cold while we stood on the steps of the little church St. Anns? to have pictures taken. We wore beautiful azalea velvet gowns and carried white fur muffs. I still have the picture taken at the photographer's studio - Bristol Photographers?? May the memories of your life together with Betty sustain you through this difficult time. My deepest sympathy to you and your family.
