“ Liz has been like a 2nd mother to my sister Barb and I thru the 30 years we have known her. She loved us, our brother, and my children and was always interested in how we were. She was a loyal friend to our parents during their lives.
Liz always stayed young at heart. My daughter and I loved our visits with her, as we could talk for hours about anything.
We all have been blessed to get to know her and her entire family. Her sweet daughters felt like sisters to us.
Liz has always had a sweet spirit, caring about others and becoming a faithful caretaker of many ducks and geese in her neighborhood. They knew they would never go hungry.
It has been a gift knowing Liz and I smile when I picture her in this next Heavenly continuation of her life. We will miss her smile and friendship so much. Patte

“ Liz was so special to our family. She and our Mom were such good friends and both grew up in West Virginia, lived in NJ, and then on the same street in Myrtle Beach. Liz was our family after our parents passed on, and we will miss her so. Liz and I always talked about our beloved cats and wished we had a farm to have more animals. We will always love her, and we are thinking of Karen and the family. Barbara
