“ Dear Becky, I was so saddened to read about your mother's passing in yesterday's newspaper. I have SO many happy and fond childhood memories of her when we played together as little girls at the hotel and in the swimming pool. Please know that you are in my thoughts and prayers as you work through these difficult days without her. Take time to grieve, and remember her in your family stories. I know that Grandmama and Granddaddy Cannon will be happy to see her again. :- Love always, Mary Cannon Tolson##imported-begin##Mary Cannon Tolson##imported-end##
