“ When I went to Dr. Gilland's office (to pick up final records) for my
husband- a long time patient there, he introduced me to Ms. Betty.
Then many years later, her grand daughter married into our family
(Ashley is a joy); I saw Ms. Betty at the reception & she still
remembered stories of my husband coming in with strep. As a
nurse, it was such a joy to see the sparkle in her eyes as she
recalled her working years. She is a beautiful lady & God is rejoicing
to have her at home. Praying for the family- your lives are much
better for having her in them. Tracy & Dennis Todd
