“*Lynn, Kerry, Shane & family, I want you to know that I woke up thinking of Ella early on Sunday morning. I made a roast that morning, just the way Ella taught me. I went to church, walked in, & started crying, which I haven't done at church since I left SC. When I got home I cleaned out my closet & there was the afghan that Ella Mae made me for my going away gift. Throughout the rest of the day, little things said & done reminded me of her. Now I know in my heart that she was saying goodbye and she's better now and won't hurt anymore. I look forward to seeing her again when my time comes. I want you to know that my thoughts & prayers are with y'all, today and always. Love, Donna###imported-begin##Donna Weinel###imported-end##*
