“ I didn't get to meet you sweet boy but my heart shattered to pieces the day you passed like I had known you forever. My heart goes out to your mommy and daddy and brothers and sister. You will always be loved and missed precious boy. Until we meet in heaven one day you'll always be in my heart. Give papa your sweet baby kisses for me.

“ Oh my sweet baby boy you were loved more than I can describe with words! You were the light in me and your daddy's life the very best of us! You knew you were loved and that we would've done anything to make your life easier! My heart is broken that you are gone from this world but I also rejoice in knowing that you won't have any pain ever! Your soul is eternal now with Jesus! Fly high my sweet little angel! Mommy and Daddy love you and we will meet again! We will always carry you in our hearts!

“ You were my whole heart embodied in the most perfect package. You were everything that was right and love and joy. I know you know we miss you, my sweet boy. But we also now you’re eternally safe, happy, protected, and perfect. You’re stretching your wings out from racing Papa around the main court. I love you, my sweet Ellie Bean. Give Papa a hug for me.
