“ Dad, always remember Wendy and I saying. "We love you Dad!!" every time you called. I know you can now see and hear us every minute of every day. Loved our spirited "debates". You looked so handsome recently when I saw you with your latest haircut. I am so glad I gave you a big hug last time. We will love you forever and I know you are up there directing everybody. See you when we all get together. Love you.##imported-begin##Lyda##imported-end##
