“ To the Family and Friends of Elly: My deepest sympathies and condolences from an old friend and fellow city manager; Elly and I spent many a conferences, both ICMA and Florida City/County Management Associations solving the world's problems. We first met and started our friendship in 1980 when we would meet once a month for lunch in Winter Park for the Central Florida City Managers Association. He was then City Manager of Cocoa Beach. Years later he followed me as the City Manager of Edgewater, Florida. We burned the phone lines up going back and forth on the problems I left for him to solve. Great memories as he will be truly missed. Deepest Sympathies and Warmest Regards, Dennis Kelly, Deputy City Manager, City of North Miami###imported-begin###Dennis Kelly###imported-end##
