“ Harry & Bobby, So sorry to hear of your Mother's passing. I never seem to be able to keep up with the "Old Friends" and their families any more. Please know that you and your families are in my thoughts and prayers. I have many fond memories of your Mother and Father and the house near the 'Pepsi Plant' when we were growing up in Conway. Keep the memories and pass them on.##imported-begin##Jimbo Mclaurin##imported-end##
