“ We were luckily introduced to the Graf family 60 years ago and only three days after arriving in NY as new immigrants to the USA. We moved into the third floor of their home on Seminary Avenue. We were greeted by Fred, D, Steve, Bruce and Barry, our new family! We had landed on our feet!

They were so generous with their time and love that our transition to our New World was made easy. When Val's family came to visit they swapped their Rambler Wagon for our Corvair.

We moved to a home of our own after two years but stayed in touch over the years. Fred accepted that we did not share his faith and in 2022, after a hearty breakfast at his favorite local restaurant, he solemnly set us on our way, back home to Pennsylvania.

Many thanks to Fred, and the Graf family for making our move so easy,

Dear Barry,

Losing someone we love is one of life's most profound sorrows. I hope you find comfort in the many beautiful memories you shared together, and strength in knowing that those we love never truly leave us — they live on in our hearts and in all that they have given us.

May God grant your father eternal peace and rest, and may He surround you and your family with grace, comfort, and healing in the days to come.

With warmth and sincere sympathy,

Ahmed Shehata
