“ BURKE and SHAWN,

We just learned of EMILY's passing and are sorry for your loss. I recall how kind she was to both of us when we were your neighbors in MARYLAND. Take care, and we wish you nothing but good memories, hoping that you are doing well.

“ *How I miss you. Your phone calls our talks.. You were not only my sister, you were my friend. I can't believe this has happened, such a freak accident that took you away.*
I know our hearts are to be grateful you have entered the Heavily Home. Selfish as we are, I find no happiness in my loss. Perhaps as God wraps you in his arms you can tell him, I am ready too.
Loving, missing, and praying to see you again with mama and the rest of our family. Love you my Angel Sister.

“ From my first memories in my 66 year life, Emily was part of me. She had the kindest heart and loving personality that in my mind was matched only by our loving and forever-caring Mother Kathleen (Kat) C. Altman-Hatcher.

They lived most of their lives together until we lost Mom in 2011. I cannot think of a single memory of Emily where I was angry at her. She always gave of herself and was so kind and gentle to everyone and everything.

She never spoke a bad word about anyone and chose instead just to remain silent. Her Husband Burk has, long ago, become an internal part of this family and is loved for his kindness toward Mom and the patience to put up with me and my brother Doug, as we harass him continuously..

Thank you Burk for being who your are and Reba for giving so much of yourself to the family. Dessie, your heart shows through, everytime someone is hurting and like Mama and Emily, you both want to make everything alright. This time it will take time and there is nothing to say and nothing to do that can speed it up. So, just know that I love you and we hurt together.

Rut, Iris, Cleo, Doug and Maryland, I love you tool and I am fortunate to be a part of this wonderful family. Emily became the center of our love after Mama's death and I will sorely miss her, but she is seeing things now so beautiful that we cannot even imagine them. She no longer strives to breath and even if she were given the opportunity, to come bak to us, I believe she would choose to wait for us to join her because giving up the peace and beauty she enjoys now, to come back to a painful, uncertain world would be an impossible choice.

I love you Ammy.

My heart is shattered, my life at a time I can't imagine this shocking and unexpected absence from our life. My life intertwined with yours more than most know. Ordering doubles on face cremes, always our yripes to visit mama grave, just because we felt closer to her. I cannot tell what life has in store, but mine has all but shut down my heart. I LOVE YOU SO MUCH!!!! Your baby sister.

I will miss you always mom. You were such a wonderful mother and was proud to be your son. You were always kind and loving. I know that i tested you in life but you and pop never gave up on me to make me the man I am today. You and pop gave me the tools i needed in life to become and good person. I hope that I made you proud. Just very sorry i wasnt able to say good bye. I talk to you every night all night long. Telling you how much I miss and love you and so sorry we were not able to say good bye. I love you mom now and forever. I know grandma will keep you company until we meet again. Love you mama.

Dear Emily,

We will miss you terribly. You were such a blessing to Burke and our family. Mom loved you dearly, also, and I am sure she is hugging you right now. Burke will be lost without you, but I know your family will take good care of him. I'm so sorry that we cannot be there tomorrow. We love you! Barb and Gene
