“ *So sorry to hear of Ms. Kitty's passing. I was so shocked when mama told me. She was visiting in mamas room the other day when I came in. She was such a loving and caring person and she will be missed. We won't be able to attend the service because mama has a Dr. appt. and Michael is still in the hospital. Please know that all of you are in my thoughts and prayers during this difficult time. Love to all, Shirley Johnson Richardson*

“ *So sorry to hear of Ms. Kitty's passing. She was such a sweet, sweet lady, with a beautiful smile for everyone. I know she loved her family very much and her love for "Neau" always shone through. They were a beautiful, Christian couple who I have known all my life. My mama, Virginia Sessions thought the world of them. She always called Kitty, Kathleen. My Mama used to play the piano for Mr. Lanneau and his friends to sing. I will be unable to be at her service because I keep my little 1 & 2 year old grands, but my thoughts will be with all of you*
