“ CeCe was one of my very first childhood friends, & although we'd lost touch through the years, she will always have a special place in my heart. She was always so friendly, upbeat, & positive, & that legacy will live on through those of us who knew her! Much love to all her family---###imported-begin###Paula Little Coons###imported-end##

“ Aunt Ted and all the family, I have so many special memories of growing up with CeCe... elementary through high school. She taught us all to shag. We laughed and we loved together. We learned to play bridge and to cheerlead. I will miss her but will carry the memories forever. You are all in my prayers, Mary Butler##imported-begin##Mary Butler Campbell##imported-end##

“ To The Boyd Family: I am truly sorry for the loss of your dear love one. Words cannot express the grief and pain that you feel. However, please find comfort in God's promise found in the Bible at John chapter 5, verses 28&29. It reads: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life." You are in my prayers.##imported-begin##Hattie Matthews##imported-end##
