“ *Grandma Cooper and I hold many memories together. Although I married into her family, she always felt like my Grandmother. I have lots of good memories that I shared with her when I lived beside her. We had many wonderful laughs together and we will dearly miss her. My last conversation with her a couple of days before she passed away will remain with me for the rest of my life.*

“ *Miss Emma was the sweetest lady. She was what I call a "Saint". She loved the Lord . I never saw her that she didn't give me a kiss on the cheek and say " I love you". I know she is celebrating in Heaven today!*
