May 4, 2010

Pawleys Island September 18, 1931-May 4, 2010 Mae W. Kaple She has gone to a far better place than whence she came. Those that love her know her fame. She was a woman of many roles: a registered nurse; the biological mother of four, she was mother to hundreds more, her charitable works covered decades. As a tennis player she won over 120 amateur tournaments. She was a teacher who helped her pupils succeed in tennis and helped them gain success in their lives. To each of us she touched, she gave a gift, thank you, we will miss you.
