“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##

“ Emma Jordan was a truly wonderful lady with a kind wisdom that made you really want to listen to what she had to say....totally non-judgemental and completely accepting of others...Soft-spoken and almost regal, yet always that sparkle in her eyes... And although it was for too short a time, I feel very fortunate for having her in my life. She took me into her heart and welcomed me into her family without hesitation. She made me feel special and loved. She was special...and loved by many. My world will be a sadder place with her passing, but I pray she will be an angel on my shoulder... Bless your heart, Emma Jordan--- You sure did bless mine.##imported-begin##Suzette Ritchie##imported-end##
