“ Hey Daddy. I have been missing you. I am sure the Lord has you busy farming. You may have seen Eddie up there. He left this earth and me on Jan 14, 2026. Make sure he meets everyone there. I am planning to see you someday when the Lord calls me home. I love you, your daughter. Gail

“ Love is like a homemade quilt, it is big and warm. It is the best quilt. It is the most comfortable and can never be replaced by a store bought blanket. Love you Daddy, Sincerely, Gail

“ Hi Daddy, I don't write to you often because I know you can't read it ... but I hope you hear my thoughts and see my dreams.... You and I worked and worked the other night and one night you almost put that tractor in the pond again. I miss you and I hope the perfect Heaven I always tried to tell you of is better than my imagination. If there are jobs in Heaven, I hope that yours is growing all the good and beautiful things like crops and flowers so you can be perfectly happy as you were always happiest when you were making things grow. I love you. Gail.

“ Dearest Daddy, Yesterday was a year that you left us. It has been a long year filled with such emptiness that words cant describe. Just know that I love you, always did and always will. And it was nice to visit with you in that dream this morning. I thank God for the memories and the dreams. I thank God for you. Love, your daughter Gail

“*Please know that my heart is broken for all of you'. I loved him, and words can never never say how my Heart aches for the whole family. He was my second oldest brother, now he is resting peacefully with all the rest of the family and friends. God always has a way to work through all of the stepping stones and mend this family. Every Holiday and Birthday he will be missed and there will always be an empty chair. Just remember he loved and was loved by a lot of people. Always keep him close to you and in your Heart with all the wonderful stories and memories. Horry County will never be the same with him not there. God is looking over all of you and please take care of yourselves and Dot. With my Love, Aunt Bess and his sister, Bess. Ps...he will always be missed and lovedI am praying for everyone of yous' and love everyone of yous'....love you, Aunt Bess and Uncle Mel.....*

“ Please accept my sincere condolences for the loss of your loved one. I have also experienced this and I found comfort in the words of the bible. Our heavenly father Jehovah God (Psalms 83:18) tells us at Revelation 21:4, "he will wipe every tear from their eyes and death will be no more neither will mourning, outcry nor pain be anymore the former things have passed away". Another encouraging scripture is found at John 5:28, Jesus said, "do not be amazed at this for the hour is coming when all those in the memorial tombs will hear his voice and come out". These are just a few of the promises that Jehovah God has in his word the bible. I sincerely hope these words will be comforting to you.
