“ *To the family,*

Our deepest condolences to you. Eric was a wonderful teacher to my husband, Daniel, who worked as Eric's partner for a little over a year. It is with great sympathies that we cannot be there to celebrate Eric's life this evening. Daniel has been incredibly upset and does not think his attendance would be appropriate at this time. Our thoughts and prayers are with you.

I enjoyed the time I spent with Eric, from attending his wedding, working on his truck or doing side work out of town. Always enjoyed listening to his strong opinions on current affairs and life in general. He was both a valued colleague and great friend, he will be dearly missed.

Jimmy and Diane , I am so sorry for the loss of your son. I know it's been over 60 years since we have seen each other Jimmy on your parents front porch in Pettyville. I do remember, and as long as you believe in god , you know your son is in great hands. Again so sorry to hear.
