“ Eric was funny, charming, had a good heart. Eric also could have attitude as well. But that was just because he was a sensitive person. I was very lucky to have the opportunity to know Eric and his family. The time that I spent with Eric, Larry and Jessica I will always remember. There was always laughter. Lots of jokes! There was lots of love. Larry and Eric were brothers. But not just brothers they were best friends. Eric will be missed. xoxo##imported-begin##Tara##imported-end##

“ Most of who will read this probably won't know who I am, but all the same. I was with Eric for what was going on a year, and for obvious reasons our relationship was hidden. I spoke with him the evening before this tragic event and I even have the t-shirt he was wearing. He told me he was doing his best to get things together in his life but due to financial stresses it was becoming harder then he thought it would be. My point is, that Eric was an amazing man who fought every day to obtain even a second of peace or happiness, and though I dont know why he did what he did. I know that he was the strongest human being Ive ever known and my heart goes out to everyone who misses him like I do.###imported-begin###Brittany###imported-end###

“ I've known Eric for 7 years and am so sorry to hear of his passing. Eric has always been a good friend and confidant from day one. When Jessica and Eric came to Ohio, I always knew I could count on them during good and bad times. Eric always gave good advice. I wont forget the times when he was protective of me from people who hurt me previously. My thoughts are with Eric, his friends, and family. Rest in peace Eric.##imported-begin##Sarah Runyon##imported-end##

“ Eric was the most genuine person i knew. he made the best drip cake ever. He never let anything get to him and i was always heppy to see him. I miss him everyday and he still brings a smile to my face. He helped out everyone as much as he could. The first time i met him i was at Jessica adn Eric's apartment and i was eating something. When i was finished he took my plate and said "this time youre a guest and i'm going to be nice and take your plate, next time youre on your own" We laughed forever. He was so sweet. Your family is in my prayers. He will be missed deeply.##imported-begin##Mariah Cooper##imported-end##
