“ *You were a dear friend with such a great spirit. You always just went with the flow with the little Erik grin. We all had some great times together going through school at Socastee High, hanging out down in garden city. Thank you for the great memories and being my friend. RIP and fish on!*

*So sorry to hear. I often saw Erik visiting his dad at Waccamaw before he passed, or on my walks behind the hospital at his mom's house, or even the boat landing Always stopped and swapped stories about our kids or flounder fishing. I love you brother and sure will miss that smile. We will meet again. Condolences to his kids, grandkids, mom and the all the family. Such a shock.*
